Dedicating a child acknowledges God's sovereignty not only over the child, but also Mom and Dad. Parents present their child before God and His people asking for grace and wisdom in carrying out their responsibilities. Parents also come praying that their child might one day trust Jesus Christ as Savior for the forgiveness of sin.

Children are a gift from God. [Psalm 127:3](#) proclaims that "Sons are a heritage from the Lord, children a reward from Him." As believers we are called to recognise that children belong first and foremost to God. God in his goodness gives children as gifts to parents. They not only have the awesome responsibility of caring for this gift, but also the wonderful privilege of enjoying the gift. Because children belong to God and are given by grace as gifts to parents, it is only proper and appropriate that children be dedicated back to God.
