Praying for our Marriages and Relationships

"The enemy is doing all in his power to destroy our lives, and he starts his first attack against the family, and against our marriages. He knows if he can break that down, he has us. Society is falling apart as a result of so many broken homes. Now is the time to take a stand, and say no more. Now is the time to pray for your spouse as you've never prayed before. Join us as couples and singles on this special day of prayer and fasting."
